customs clearance of merchandise

If Customs formalities are required,
invoice & packing list must be consigned to:

[EXHIBITING COMPANY'S NAME]

TFWA 2024 - STAND NUMBER

PALAIS DES FESTIVALS - 06400 CANNES

If your company is registered in France:

FR VAT # _____

EU EORI # _____

- If your company is registered in France, it is mandatory to mention your company's French VAT No. & EORI No. on all documents & fill our Customs representation power of attorney.
- If not registered in France, clearance will still be completed by MATHEZ ONSITE LOGISTICS, and no VAT no. is needed.
- Express couriers like UPS, DHL or FEDEX can no longer complete DDP deliveries to France without a french VAT & EORI no. DDP will most likely be handled like a DAP by couriers and shipment will then be delayed.

If couriers use MATHEZ ONSITE LOGISTICS VAT no. to clear your shipment without our agreement, **VAT, couriers fees & cash advance charges** will be passed on to your company – these may be subject to a **separate invoice** at a later date & can not be contestable.

From Monday oct. 7th to
Wednesday Oct. 9th at the latest

If your own carrier needs to pick up your goods, he
